

FEB 2023 HIGHER COMBINED PHYSICS REVISION LIST

- Circuit diagrams & symbols
- Resistance calculations
- Power calculations
- Potential difference calculations
- Particle theory & changes of state
- Density calculations
- Magnets: fields & flux density
- ENERGY: GPE/KE calculations; transfers between stores
- Thermistor core practical
- Specific heat capacity core practical
- Gas pressure
- ROUNDING TO SIG.FIG
- SWAPPING EQUATIONS ABOUT
- RATES/TANGENTS
