Information on Haberdashers' Abraham Darby

History of the school: Abraham Darby Academy opened on 1st September 2008 replacing the predecessor Abraham Darby School for the Performing Arts. The Academy was the 'sample project' in Telford & Wrekin's 'Building Schools for the Future' programme. Having been based in the existing school buildings during the construction phase of the project, the Academy moved into its new state of the art, technology rich accommodation in July 2012. It provides 1,100 places, 900 for pupils aged 11-16 (PAN of 180 in each year group) and 200 in the Sixth Form and sits at the centre of the Abraham Darby Learning Community, which also includes Woodlands Primary School and a Leisure Centre. Abraham Darby Academy changed its name to Haberdashers' Abraham Darby in 2017.

Federation Trust: Haberdashers' Abraham Darby is sponsored by the Worshipful Company of Haberdashers' and is a member of the Haberdashers' West Midlands Academies Trust, which includes Haberdashers' Adams, a selective state grammar school, and Haberdashers' Castle House School, an independent preparatory school, both located in Newport, Shropshire. There is one Board, chaired by the Chair of Governors, with several committees. Each school has a separate local governing body.

Ethos: The ethos and culture of the Academy is rooted in values, standards, positive relationships and aspirations. The result is a warm, welcoming and generous environment where pupils who are increasingly ambitious for themselves, enjoy being challenged to improve upon their previous best and recognise their responsibilities as role models as they progress through the year groups. There is a shared purpose in our journey to become outstanding.

Pastoral: Our House system is the lifeblood of the Academy. It fosters competition, participation, belonging and student leadership. Each member of staff also belongs to a House. Throughout the year we enjoy all school inter-house competitions in rugby, netball, cross country, swimming and the Arts.

Extra-Curricular: The Abraham Darby music department has a very successful music tradition, which goes back well over 40 years and has ensured that the Academy has become one of the country's leading education establishments for musical opportunity for its students. It has a high reputation within the youth music world. Both the Academy's Showband and Jazz Band have performed regularly in the Schools Music for Youth Proms at the Royal Albert Hall and the Showband is the highest ranked school wind band in the UK. We also place considerable emphasis on Sport: we are one of the few state schools in the country that has an extensive rugby and netball Saturday fixtures list. We offer 10% of our PAN each year to musical or sporting aptitude places.

The education of the 'whole' child is a priority and has resulted in the development of an extensive informal curriculum. There is a substantial range of curriculum enrichment and extra-curricular experiences with which pupils are actively encouraged to engage. It is an expectation that all members of staff contribute to this programme.

We are a welcoming and inclusive organisation with a strong social purpose. The Haberdashers' family of schools is made up of nineteen schools, structured in four devolved groups – Haberdashers' Academy Trust South, Haberdashers' West Midlands Academy Trust, Haberdashers' Elstree Schools and Haberdashers' Monmouth Schools. We are proud to include schools of all types and sizes within our family of schools – from a brand new, state academy like Haberdashers' Borough Academy, opened in 2019, or a centuries' old independent boarding school, like Haberdashers' Monmouth, founded in 1614. The relationship with Haberdashers supports the schools: financially through endowment funding, through providing governors and trustees from the Company membership and through the Haberdashers' Advantage programme.

The concept of Haberdashers' Advantage identifies the added benefit that will be felt by pupils at our schools. Our philosophy is that there is more to quality education than academic performance, whilst recognising that such outcomes are a critical component. We give tangible support to our schools as they strive to provide our students with character, values and the ability to develop life and workplace skills; helping to shape the best possible outcome for their futures.
